Details of how we spent previous academic year's allocation:	
<ul style="list-style-type: none">• Hire of Strode swimming coach and life guard• Staff training with professional coaches netball, cross country• Staff training – tag rugby• Netball posts and bibs• Storage solutions for PE resources• Gymnastic equipment, including large items – vaulting horse, tables and springboard• Part purchase of playden to encourage collaborative active, outdoor play• CLP Sports Liaison• Supply cover to fund PE teachers' attendance at daytime sporting events• Transport costs to sporting events, eg hire of minibuses/coaches• Awards, eg swimming certificates, cups, medals, engraving etc	
How it has made a difference to the PE and sport participation and attainment of pupils at Charlton Mackrell:	
<ul style="list-style-type: none">• Teachers are more confident in delivering PE lessons• Staff observe the sports coach regularly and model good practice in teaching• High quality resources results in a broader range of PE skills being taught across the whole school phase and a more varied approach to indoor PE lessons• With the new equipment, staff can deliver high quality PE lessons and the children enjoy using the equipment• More children taking part in higher quality PE lessons and physical activity, including swimming throughout the year from Year R to Year 6 and high take-up of after school clubs• Pupils' PE skills are noticeably improved and broader across school as they are now taught a range of PE lessons• The children, as sports leaders, are taking responsibility for the equipment and consequently, it is lasting longer and remaining in good condition• The children have been inspired by professional athletes who they have watched during our visits to Taunton and Bath, for example• An additional, successful after school football club has been on-going with our coach
