### Finance / Physical Resources Meeting 7th November 2017

The following points were discussed:

1. Tony Sauer was re-elected as Chair with Ed Cockburn as Vice-Chair
2. At the half way point of the financial year the month 6 budgetary report was discussed. Overall the situation is satisfactory; however in these difficult times all expenditure needs to be justified in order to prevent any overspend
3. Works carried out in the summer were reviewed and plans for the next phase of repairs discussed
4. The claim for damage caused by the water leak in KSI building is ongoing and will be chased with the insurance company. Quotes were accepted to modify the fire alarm system (so that an alarm in any part of the school will sound across the school), and to renew the IT server whose failure in the summer caused such difficulties.
