Parent and Carers' Toolkit

We would like to draw your attention to information that has been made available on the website: www.somerset.gov.uk

A Parent and Carers' Website has been created which brings together information about all the services available to parents and carers. They say: 'This area of the website has been designed to support parents and carers to find the information they need to help them with the job of 'being a parent'

'Being a parent can be the most wonderful job in the world but at some point all parents need a bit of help. Finding the right information and support can be difficult so, with the help of some Somerset parents and carers, we have identified the issues that most affect families and then gathered together the best web-based information and local support to help tackle some of these issues.'

Football

Well done to our U11 football team who attended a level 2 tournament at Bucklers Mead School in Yeovil last Monday. The team played really well and although not successful in progressing to the next stage they should be very proud of their performance. Thank you to Mrs Hounsell and Mrs Chapple for providing transport and support.

Stockland Cross Country

Our first run of the season took place on Wednesday after school. 16 children from years 4, 5 and 6 endured a very wet and muddy run. Well done to all of you for completing the course, mostly finishing with smiles! We are now looking forward to the next event which is on the 22nd of November. Thanks again to all of the parents for their support and to Jen Toyne for marshalling.
