Tadpoles

The topic next week is under the sea, as part of this we will be looking at a fish.

Reminder regarding the Charmouth Trip next Thursday, please meet in the Car Park at 10.30am

It was good to meet with the parents of the children, currently in Tadpoles or other settings, who attended our new parents' meeting on Monday. If you have thought of any questions, that were not addressed on the evening, please do contact the school. Please note that the date set for the children to have a taster session with Miss Kierstan and Mrs Cleal is Tuesday 4th July.

Badgers' Class Trip To Ham Hill

On Tuesday Badgers had a very hot but successful trip to Ham Hill. *George Chapple wrote* "When we visited Ham Hill we went on a workshop 'The Story Of The World In a Thousand Paces'. We started 4.6 billion years ago and every pace/step was 5 million years. I learned a lot about our ancestors and that BACTERIA played such a vital role in the creation of the world. After lunch we had a drawing competition. We saw the Stone Circle and enjoyed playing hide and seek, tag and climbing the hills".

London Fire

Sadly, we had to reflect quietly because of another very sad event. The children discussed this with their classes on Monday.

New Gate

The work will be commencing to replace the gate to the church from our playground this weekend. If you are free on Saturday and own a wheelbarrow, could you please come along to the school at 8.30am on Saturday morning to assist in the removal of excess soil. We are very grateful to Mr Cockburn and his team for all their help with this project.

Yr6 Trip to Wells Cathedral

On Friday 16th June, most of Yr6 went to Wells Cathedral. We arrived in Wells at 9:15 then we went to the cathedral. The first thing we did was sing a hymn and then we were sorted into our groups. My group's first activity was 'Be a Chorister'. In that activity we sang four short songs then we sang them where only the Choir are allowed to go. Our next activity was 'Art', though it was really geometry. For this we drew circles, then using the cross-over points, we drew 2 6-pointed stars. I thoroughly enjoyed it. Next we had lunch then we proceeded back to the Cathedral. We were lucky enough to see the famous clock. Then William and Sarah collected a candle, we sang some more hymns and George and Olivia processed our banner around the Cathedral. I am sure no-one will ever forget the day. *Written by Robert Chapple*

Sports' Day

We are appealing for 4/5 gazebos for our Sports' Day, 14th July together with helpers on the morning to set-up (the set-up time tbc)

Thank you!

PFA

The PFA would like to pass on their thanks to all those who helped at the Food Festival and to the Football Club for making it possible. A special mention to Luc Logan who worked tirelessly on this event and has kindly agreed to donate the football club's half of the gate takings from the day, meaning that we managed to raise just over £1,000! We would also like to thank Dave Gage of Combewood Computers for designing our website and marketing materials. A big thank you to everyone for their support despite the weather! Please keep an eye out on the whiteboard for a date for the last PFA Meeting where we will be voting on how our funds are spent - we hope to see lots of new faces there.

Foxes' and Squirrels' Assembly

The children in Foxes and Squirrels' classes led our Collective Worship on Wednesday. As well as reading the prayers, they had written and performed a poem about the creation of the world and told the story of Mary Anning. Well done to both groups.
