Road Safety

This week the children have all had a visit from Somerset's Road Safety department talking to them about how to stay safe in and around roads and vehicles. This was in response to some incidents that have happened in Ilminster recently involving some pupils older than Greenfylde age who had accidents or near misses involving vehicles. Please can we ask you to talk to your child about the messages given so that we are all reinforcing to them the importance of road safety.

Safeguarding

We have been made aware that next week work starts with Wessex Water in West Street and currently we are not sure what form this will take, so please keep this in mind when planning your journeys to and from school.

Classes for next year

We will not be announcing classes and teaches for next year until some point in the first two weeks back after the Summer half term holiday. Children will be asked soon who they would like to be with next year and there are three transition sessions planned before the end of term for them to get to know their new classes. Please do not ask current class teachers about your child's next class/teacher as they will not be able to provide you with any information.

This year the pre-school is making the scarecrow for FrOGS. Do you have an old painting/drawing easel we could use?
