

PUPIL PREMIUM GRANT

Policy Statement and Budget

Additional funding has been provided to schools since April 2011. It is allocated to pupils from low income families who are eligible for free school meals and children who have been adopted from care. Pupil premium was extended in 2012-13 to pupils who have been eligible for FSM at any point in the last 6 years (known as Ever6). A smaller amount is also received by schools for children of service personnel. The category of FSM / CLA pupils has now been re-classified as 'disadvantaged'.

Provision at Haselbury Plucknett First School

We aim to provide holistic support for our pupils in receipt of Pupil Premium funding to ensure they can develop to their educational, personal and social potential whilst at Haselbury.

When making decisions on how best to spend this money, the Headteacher and governors have considered the research available on the subject, most specifically that from the Sutton Trust.

The tables below show the amount of funding the school that has received and how we intend to spend the funding this academic year.
