Dear Parents/Carers

We have planned a class trip to **Carymoor Environmental Trust** on **Monday 19<sup>th</sup> February**. As part of our Canada topic, the children are learning about the importance of caring for our environment. The visit will help children to understand about recycling and reusing waste.

The children will not need to wear school uniform. We will be outside for most of the day so they will need to wear warm clothes and have a waterproof coat, gloves and wellies.

They will also need to bring their usual snack, water bottle and packed lunch in a rucksack that they are able to carry. We would like to take part in the **Waste Free Lunch Challenge** (Information Letter is attached).

**Please can your child be at school for 8.30am** as we will be leaving promptly at 8.40am. We intend to return to school at **3.30pm**.

In order for the trip to go ahead we need to ask for a voluntary contribution of £15.00 per child to cover the visit and transport.

Would you please complete the consent form attached and return it to the school office with payment by **Wednesday 7<sup>th</sup> February (before half term)**.

Thank you very much for your co-operation. Please do not hesitate to contact us if you have any queries.

Kind regards

Mrs Palmer and Mrs Woodward

As parent / guardian of \_\_\_\_\_ I have read, fully understand and am satisfied with the details supplied about the above mentioned activity and agree to my son / daughter taking part in it.

I know of no medical reason why he / she should not participate.

*I am aware that:-*

- (a) except for visits abroad, insurance arrangements are the same as for students in educational establishments, ie that the Authority can only insure against the proven negligence by the Authority and / or its employees;*
- (b) I should consider making my own insurance arrangements for personal accident cover for my son / daughter.*
